Re: Andrews for Congress Committee
FEC Identification No. C00243428

Dear Mr. Kern:

Enclosed please find the amended Year-End Report (July 1, 1999 through December 31, 1999) filing on behalf of the committee. This amendment to the original report corrects the problems stated in your letter dated June 13, 2000. By copy of this letter, this filing is reported to the Secretary of State of New Jersey, Election Division, as required. The following addresses each paragraph in your letter:

- In response to Paragraph 1 of your letter, Schedule B, line 17, reflect Memo entries for the vendor to whom the attribution for the reimbursement was made
- In response to Paragraph 2 of your letter, the "purpose" field for Schedule B, line 17 field has been clarified for those disbursements relating to consulting expenses
- In response to Paragraph 3 of your letter, Schedule B, line 17 lists the best efforts by the Committee to list the mailing addresses of those itemized disbursements which have an aggregate total over \$200 for the calendar year.
- In response to Paragraph 4 of your letter regarding a discrepancy in the aggregate total for the New Jersey State Carpenters Non-Partisan Political Education Committee, the original report states an aggregate total of \$10,000. for the calendar year 1999. That amount is correct. The International Union, Carpenters Legislative Improvement Committee, contributed \$5,000. attributed to the Primary election in June 1999, which was reported in the 1999 mid-year report. CLIC and the New Jersey State Carpenters Non-partisan Political Education Committee are a connected organization through membership and share the aggregate total contribution for the election cycle. The State Carpenters contributed \$5,000 toward the general election, thus, bringing the aggregate total to \$10,000.
- In response to Paragraph 5 of your letter, Schedule B, line 21 has been clarified to reflect the office sought for contributions which were made to political candidates

I hope this responds completely to your letter. Should you have any questions please do not hesitate to contact me at P.O. Box 295, Oaklyn, NJ 08107, (856) 858-9810.

Very truly yours,

Christina Morales
